

# MICHELE NUCERA

Concept artist | Illustrator

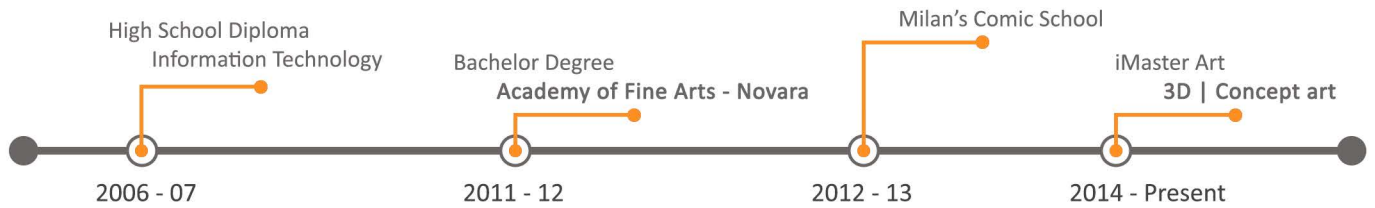

21.12.1988

michelenuc@yahoo.it

I am Michele Nucera, a professional concept artist and illustrator. I have several years of experience as freelancer, and I'm focus on customers. I can describe myself as a very proactive person who is passionate about concept design, always willing to improve my skills.

My big motivation is to find a great working place where I can contribute with my experience and ambition, using and improving my skills.
